SERVER MODULE
9200-01-1100
TOUCH SCREEN MODULE
9200-01-1000

Function:

The Motus Console is our HMI for the modern user. Fully touch screen capable allows for fast intuitive input, but a sidecar keyboard and mouse makes data entry easy. The modular design allows for different accessories to be added to the stack, making it adaptable to the productions needs. Add a Client PC for redundant live backup, ensuring seamless continuation of operator, should the unforeseeable occur. Control, for today's users. The NEXUS Motus Console.

SYSTEM:
NEXUS
